

Dear \$FIRSTNAME\$,

Welcome to our fourth newsletter!

[The Sustainable Energy Lunchtime Forum held on Friday 21st November 2008 in Brunswick attracted a diverse audience from business, local government and academia.](#)

We were particularly pleased to welcome the debate and discussion from such a well informed audience.

If you are interested in the presentations but were unable to attend, you can download the presentations from our website:

- Michael Williamson, Sustainability Victoria: ["Repowering Victoria for the 21st Century"](#)
- Demian NataKhan, Enhar: ["Wind Energy - Global and Local"](#)
- Bruce Thompson, Moreland Energy Foundation: ["Moreland Solar City: Decentralised Energy"](#)

Next Enhar Seminar Event, Friday 20th February 2009: Marine Energy

This Seminar event will include presentations on:

- Technology progress in tidal and wave energy systems
- The marine energy resource in Australia

Please join us if you have a professional interest in the marine energy sector, whether your business is currently actively developing wave or tidal energy technologies or you have marine energy site development ambitions, or you are simply looking to expand into this exciting area.

Full event details will be circulated at the end of January, along with a booking form.

To reserve your early-bird seat at this event, simply email us on info@enhar.com.au

Holiday Period

Enhar will be closed for business from the end of this week until 16th January 2009. Emails to info@enhar.com.au will continue to be checked and answered.

We wish you all an enjoyable Christmas and look forward to working with you in the New Year.

Sincerely yours,

Demian NataKhan
